RE: RFQ 471-10 for General Contracting Services: Alpine Campus Building

The RFQ process for Colorado Mountain College Alpine Campus has been resumed. There have been modifications made to building size, construction budget and schedule for RFQ. Please refer to the RFQ dated November 17th, 2010 for the most current information.

Feel free to contact me at slara@arcipm.com with any questions or for request of the most current Request for Qualification document.

Thank you.
