

RFP 484-10

Addendum 003 Issued October 26, 2010

How many levels of donors will be required? **Approximately 4, but subject to change in the design phase.**

Quantity of spaces for each donor level? **Unknown at this stage. Wall should be designed to accommodate donations as yet to be determined.**

Are you set on external lighting or could we propose a combination of lighting scenarios? **Our selection committee is happy to review all creative ideas that are submitted.**

Who is the target audience/donors that you are marketing to? **Students, prospective students, parents, donors, prospective donors, and taxpayers, and other interested community stakeholders.**

What is the budget set for the donor wall? **No budget has been released. Please see Addendum 002 for further information.**

What is the construction cost of the building? **Approximately \$15MM, including the 33,000 square foot addition currently under construction.**

Do you have photos of the materials used in the building? **This building is basic stucco. Our website has a picture posted at [CMC - Vail-Eagle Valley Campus Photo](#). We may be able to upload additional photos to our website at www.coloradomtn.edu/purchasing. Please feel free to check back.**

We realize some of these answers are vague. Again, we are seeking to contract with a company that has the experience and resources to help us design this wall. In your submittal, please try to give us an idea of your capabilities. You should also check the CMC Purchasing website before you submit, we will post any additional information, pictures or graphics as available. Thank you for your interest in the CMC Foundation and our project.
