Addendum 002 Issued June 20, 2011

The following question was delivered after our pre-bid walkthrough on June 16, 2011, please see the answer below.

1. What is the color selection for the cove base and is it with or without toe?

Yes cove base will have toe, carpet color is undetermined so cove base color will be driven by carpet color selection.

Thanks again to everyone who attended our pre-bid meeting, we are looking forward to working with you on this project.
