Computer Access:

Online courses require frequent computer use and access to the internet. It is highly recommended that students have a personal computer for use in online courses. If you need to use a computer at your local Colorado Mountain College location, you will be able to do so during open lab hours. Please check with your local site for times. Labs will not be available for Collaborate sessions, if included as part of your course, due to the verbal interaction involved.

If you have general questions about online learning, please contact **Colorado Mountain College Online Learning** at 800-621-8559, extension 8341 or virtual@coloradomtn.edu.

No-show reporting and financial aid: If you have not completed your introductory assignment(s) in Canvas by Wednesday, January 23, you will be reported as a no-show and dropped from the course. The resultant loss in credit hours may cause a reduction and/or cancellation of your financial aid award. Neither financial aid awards nor class reinstatement can occur after this point without significant documented extenuating circumstances. If you have questions or concerns about this please contact your campus financial aid specialist. (http://coloradomtn.edu/financial_aid)

II. Course Description:

Provides an overview of pharmacology language, abbreviations, systems of measurement, and conversions. The Controlled Substances Act, prescriptions, forms of medications, patient care applications, drug classifications/interactions, and safety in drug therapy and patient care are presented. Information regarding the measurement of medications, dosage calculations, routes of administration, and commonly prescribed drugs in the medical office is provided

III. Course Competencies and Objectives

Learn and apply pharmacology principles to calculate appropriate dosages for children and adults and understand the different medication classifications and their general applications, side effects, interactions with other medications and pregnancy categories appropriate for a Medical Assistant. Evaluation is based on oral and written performance.

IV. IDEA Student Ratings of Instruction:

1. Gaining factual knowledge (terminology, classifications, methods, trends)
2. Learning fundamental principles, generalizations, or theories
3. Develop a commitment to accurate work and improve mathematical skills
4. Learning how to find and use resources for answering questions or solving problems.

V. Evaluation Methods and Class Management

Each week there will be a reading assignment, review problems, discussion board posting, and quiz. All homework problem are due by midnight on Friday of each week. Canvas

Canvas by Instructure is the online learning management system (LMS) used by Colorado Mountain College. You access Canvas via your web browser, ie: Mozilla/FireFox, Internet Explorer, Opera, etc. Students, faculty and staff members use the CMC Canvas site to access course announcements, documents, research links and library resources, to receive and deliver completed assignments, take tests, and to communicate with each other via email, discussion boards and chat.

For instructions on how to access your Canvas account, Canvas How To's, and who to contact for all your Canvas questions and support needs, please visit

www.coloradomtn.edu/canvas

Initial Login Information: Login information is available from the lefthand navigation bar on www.coloradomtn.edu/canvas/

Student Email

All CMC students enrolled in a credit-based class (0.5 hour credit class or more) will be assigned a CMC student email address through Google mail (Gmail). Please allow at least 48 hours after you register for this account to be activated.

A Few Words about Microsoft Word

Microsoft Word is the standard word processing program for the majority of CMC instructors. Students without Microsoft Word may use the free software from www.openoffice.org to create Word-compatible documents. The program also includes spreadsheets, presentation, drawing, and database applications. The program is available for windows, Macintosh, or Linux operating systems. Microsoft Word is installed on computers available in computer labs at CMC locations.

X. Virtual Library Information

You will find online articles, books and other library resources on the following web site: <http://coloradomtn.edu/library>. The Virtual Library has its doors open 24/7, providing access to thousands of online journals and newspapers, books and art images, downloadable videos and audio books, career resources and practice tests.

If you need help with the Virtual Library, email reference@coloradomtn.edu or call us at 800-621-8559, extension 2926. For additional contact information, please access our "Ask a Librarian" service at http://coloradomtn.edu/current_students/library/help.
